MAKE-UP THAT'S BARELY THERE

Amanda Seyfried (below), Diane Kruger (right), Anna Kendrick, Meryl Streep and Carey Mulligan all opted for the simplicity of a nude make-up palette consisting of gentle pinks on the lips and cheeks, paired with groomed and shaped brows. Celebs like Zoe Saldana and Kristen Stewart added an element of drama to their mostly natural looks by playing up darkened eyes, but on the whole most celebs followed the 'simple is best' make-up mantra.
